

SoftCom announces the launch of myhosting.com® website

Toronto--INTERNET WIRE---November 15, 2001

SoftCom Technology Consulting Inc. today announced the official launch of their latest myhosting.com website. myhosting.com is a leader in affordable and effective web and application hosting services to consumer and business customers in over 140 countries.

Customers of myhosting.com will now have a wider selection of web and application hosting services, and will be delighted by a much improved customer experience. In addition to offering shared and application hosting services, myhosting.com is introducing; Microsoft® Windows® 2000-based dedicated server packages, content distribution solutions offered as part of a newly formed partnership with Akamai®, and the availability for customers to register domain name extensions - .com, .net, .org, .biz, .info, .ca, .cc, .co.uk, and .org.uk. Now, customers that demand more choices may choose from a diverse selection of new service plans and options, all at affordable prices.

"With the introduction of our new website and new product offerings, our customers will continue to benefit with affordable and effective hosting alternatives without sacrificing service quality," said Tony Yustein, CEO of SoftCom Technology Consulting Inc. "We believe that this new launch will demonstrate our commitment to continually provide better and affordable hosting choices for our worldwide base of consumer and business customers."
